The evening will consist of 6 preliminary races of six horses followed by the Gungahlin Cup. Horses can be purchased individually, or in a syndicate to win race prizes, with the winner from each preliminary race competing in the Gungahlin Cup for the grand prize.

The evening's fancy dress theme is the Rubik Cube. Come dressed in the 6 colours of the rubix cube (red, yellow, orange, blue, green, white) and solve the puzzle throughout the evening by swapping clothes until you are wearing one single colour.

Prizes will be awarded to the first male and female wearing one single colour.
